

Our Profile

About Us

The Life We Deserve Foundation is a dedicated and passionate youth-led non-profit, civil society organization based in Nigeria. Our mission is to make a meaningful impact on the lives of less privileged individuals, groups, and communities in the beautiful and diverse nation of Nigeria. Founded on the principles of compassion, empathy, and social responsibility, we are committed to improving the well-being of those who need it the most. We believe that every person deserves a chance for a better life, and we work tirelessly to ensure that this opportunity is within reach for all.

Our Mission

Our mission is to work for the social development of less privileged individuals, groups, and communities in Nigeria. We are dedicated to promoting personal hygiene and environmental health in communities, empowering the youth, and mobilizing resources to establish opportunities for vulnerable children. Through our work, we aim to empower and restore hope among those affected by poverty, inequalities, and unemployment.

Our Vision

Our vision is a Nigeria where no one is left behind, where every individual, regardless of their circumstances, has access to the resources and support they need to thrive. We aspire to create a society where personal hygiene and environmental health are prioritized, the youth are empowered, and vulnerable children are given opportunities to reach their full potential. We envision a Nigeria where poverty, inequalities, and unemployment are gradually overcome, and hope is restored in the hearts of those who need it most.

Our Values

We approach our work with empathy and a genuine desire to make a positive impact on the lives of others

We are unwavering in our commitment to the betterment of the less privileged and the communities we serve

We believe in creating an inclusive and equitable society where everyone has an equal opportunity to succeed.

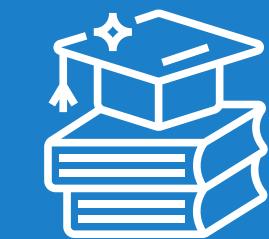

We uphold the highest ethical standards, ensuring transparency and accountability in all our activities

We work in partnership with individuals, organizations, and communities to achieve our shared goals

Our Thematic Areas

Good
Education
and Gender
Equality

Poverty
Alleviation and
Youth
Empowerment

Climate
Change and
Sustainable
Environment

Health and
Nutrition

Thematic Area 1: Good Education and Gender Equality

Educational Support Programs

Providing educational support to underprivileged children, particularly girls, to ensure they have access to quality education

Promote Gender Sensitization

Organizing workshops and awareness campaigns to promote gender equality and eliminate gender-based discrimination in educational institutions

Advocacy for Inclusive Education

Work with schools and policymakers to ensure that education is accessible to children with disabilities and those from marginalized communities.

Thematic Area 2: Poverty Alleviation and Youth Empowerment

Provide Vocational Training

Offer vocational training programs to equip young women and men with skills that can improve their employability and income prospects

Life Skills Training

Offer workshops on financial literacy, leadership skills, and personal development to empower youth in making informed life choices.

Mentorship Programs

Connect experienced professionals with young individuals to provide guidance and support in their personal and professional development

Thematic Area 3: Climate Change and Sustainable Environment

Climate Action Initiatives

Organize tree-planting campaigns to mitigate deforestation and combat climate change.

Waste Management Programs

Implement recycling and waste reduction projects in communities to reduce environmental impact

Environmental Education

Conduct awareness campaigns and workshops to educate communities about the importance of environmental conservation and sustainable practices.

Thematic Area 4: Health and Nutrition

Nutrition Education

Offer workshops on nutrition, breastfeeding, and child care to ensure better health and well-being, particularly for mothers and children

Immunization Campaigns

Organize vaccination drives to protect children and communities from preventable diseases

Safe Water and Sanitation Projects

Implement clean water and sanitation initiatives to improve public health and reduce waterborne diseases
